

9 & 10TH MAY 2019, LONDON

ANGEL CONFERENCE 2019

CALL FOR SUBMISSIONS

The Academic Network on Global Education & Learning would like to invite submissions for the 2019 ANGEL Conference. Aimed at academics, researchers, policy-makers and practitioners from around the world, the conference will cover all sectors of education, evidence from empirical based research as well as discussion on how to influence policy-makers.

We strongly encourage all ANGEL members to participate as our bi-annual conference is our key event, and an unique opportunity for members to meet each other in person, and network.

The Conference will include a mixture of keynote presentations papers and presentations from empirical research, debates on key issues and opportunities for meetings of specialist journal boards, early career researchers, NGO practitioners and policy-makers, as well as proposed sessions on school based education, further and higher education and informal learning. The confirmed keynote speakers are William Gaudelli and Elina Lehtomäki, with more TBC.

THEMES

- Current challenges for global education
- Opportunities created by the Sustainable Development Goals
- Relationship to formal or further and higher education or informal forms of learning
- Influencing policy-makers and contribution to policy development

**SUBMISSION
DEADLINE:
30 NOV 2018**

HOW TO PARTICIPATE

- Full individual paper presentation (30 minute presentation, inclusive of Q&A)
- Short individual paper presentation (10 minutes presentation)
- Panel symposium (a collection of 3-4 papers, plus a Chair)

SUBMISSION

Your submission should demonstrate a connection or relevance to at least two of the conference themes. Abstracts for paper presentations are limited to 300 words. Submission of details on any of the above, is achieved via our online form at <https://angel-network.net/news/call-papers-0>, and needs to be with us by **November 30th 2018**. You will receive a decision on by 31st December 2018 at the latest. For further details visit angel-network.net.
